

BYOD ACCEPTANCE POLICY/ AGREEMENT

Purpose:

Future International School uses instructional technology to create an innovative community for students to explore and realize their personal passion. In an effort to increase access to 21st Century skills, FIS will allow all grade students to bring their personal devices to use in the classrooms. With signing on this policy/agreement parents and students are equally responsible for the clause mentioned in this agreement.

Device Specification:

For Grade 1 to Grade 9 : iPad 7 or above models accepted

For Grade 10 to Grade 12 : iPad 7 or above models / MAC Books

Clauses:

- All parents should make sure that the students' iPads is enrolled to the school MDM (Mobile Device Management).
- FIS will not allow and permit students to access educational platforms without the enrollment to MDM.
- Students and parents/guardians participating in B.Y.O.D. must adhere to the Student Code of Conduct, Student Handbook, Acceptable Use Policy and all Board Policies, particularly Internet Acceptable Use.
- Each teacher has the discretion to allow and regulate the use of personal devices.
- Approved devices must be in silent mode while on school campus, unless otherwise allowed by a teacher. Wired headphones may be used with teacher permission. (Air pods or other Bluetooth headsets are not permitted)

2024-2025

- Students may not use devices to record, transmit, or post photographic images or video of a person or persons on campus during school hours or during school activities, unless otherwise allowed by a teacher. Any violation will result in immediate confiscation of student's electronic device.
- All students will be asked to register their devices before connecting to the school network.
- All students are prohibited from storing personal documents, images and other files on the iPad. FIS administrators and IT Department will not be held responsible in the event of loss.

Students and Parents/Guardians acknowledge that:

- Future International School is authorized to collect and examine any device that is suspected of causing technology or technical problems.
- Future International School is authorized to collect and examine any device that is suspected of a cyber-attack or virus infection.
- Students are prohibited from processing or accessing information while on school property related to "hacking", altering, or bypassing network security policies.
- Students may not attempt to use any software, utilities or other means to access internet sites or content that is blocked by the school's internet/firewall filters.
- Students and parents should be aware that devices are subject to search by school administrators if the device is suspected of a violation of the student code of conduct. If the device is locked or password protected the student will be required to unlock the device at the request of a school administrator.
- Personal devices must be charged prior to school and run on battery power while at school. Charging of devices will not be permitted at FIS during school hours on school property.
- Future International School will not provide repair services or software installations on any student devices.

- Students should only be connected to the student network that is designated for them while on school property.

Lost, Stolen, or Damaged Devices:

Each user is responsible for his or her own device and should use it responsibly and appropriately. *Future International School* staffs, administration, and ownership take no responsibility for stolen, lost, or damaged devices, including lost or corrupted data on those devices. Students are fully responsible for securing their personal devices.

Students must take full responsibility for their devices at all times. However, devices are still stored at the owner's risk.
