

Attendance and Absenteeism:

1. Policy:

For the purpose of this policy, **attendance** refers to the total number of school days attended by the student during the school year based on the school calendar. **Absenteeism** refers to the school days when students do not attend school. An absence is either excused or unexcused.

Absenteeism with a rate of 10% is a grave concern. **Students who are absent from school are required to bring a written excuse and/or medical certificate for the absence their first day back at school in order to receive make up work.** Only **3** written parent excuses are **allowed per term.**

The school will notify parents/guardians immediately of incidents of truancy and shall hold meetings with them and with the students to discuss the issue and monitor the student's attendance closely thereafter.

If an absence is **excused/authorized**, the student has the right to make up the work and tests that were missed. If the absence is **unexcused/unauthorized**, the school along with the parents, will decide on the appropriate course action pending completion of the investigation into the circumstances surrounding the absence.

Parents whose students will need to be absent for extenuating circumstances must inform the school 10 days prior to the expected absence to allow teachers the opportunity to prepare assignments for the student during their absence. The student is responsible for completing all assignments. The parents shall contact the Head of Schools to arrange submission of student work immediately after the student's return to school.

2. Consequences of Absence:

The school can suspend a student in case there are **ten (10) consecutive unexcused absences** or **fifteen (15) or more non-consecutive days** during the academic school year. The suspension order must be issued by the **School Principal or designee** and approved by ADEK, and the parent/guardian must be informed. The parent will receive a copy of the suspension order.

1st Absence: Verbal and written warning **#1** to the student by the appropriate school official and documented in the school record.

2nd Absence: Verbal and written warning **#2** to the student by the appropriate school official and documented in the school record.

The teacher shall promptly and courteously allow students the opportunity to make up missed assignments and tests. The contact should be made on the day the student returns to school unless the teacher allows a longer time. Makeup work must be completed by the student within the time specified by the teacher. In the event of an extended absence, student work may be requested by calling the school. The parent will be able to pick up the work at the end of the day following the request.
