

# BYOD Acceptance Policy, Agreement & Device Requirements – Academic Year 2025–2026

## Purpose

Future International Private School (FIS) encourages the use of technology to support learning. To provide students with access to digital tools and 21st-century skills, students are allowed to bring their own personal devices to school. By signing this agreement, both parents and students accept responsibility for following the rules below.

## Device Requirement

- iPad 10th Generation or above
- Minimum 64 GB storage
- Must be enrolled in the school's **MDM (Mobile Device Management)** system

## Key Rules

1. **MDM Enrollment** – All student devices must be registered with the school's MDM. Students cannot access school platforms without MDM.
2. **Acceptable Use** – Students must follow the **Student Code of Conduct, Handbook, Acceptable Use Policy**, and other school rules.
3. **Teacher Permission** – Teachers decide when and how devices can be used in class.
4. **Sound & Headphones** – Devices must remain on **silent mode**. Wired headphones may be used only with teacher permission. **Bluetooth headsets (AirPods, etc.) are not allowed.**
5. **Recording/Photos** – No recording, transmitting, or posting photos/videos of others without teacher approval. Violations will result in confiscation.
6. **Personal Files** – Students may not store personal photos, videos, or files on their iPads.
7. **Network Use** – Students may only use the designated FIS-IPAD Wi-Fi network.
8. **Battery & Charging** – Devices must be fully charged before school. Charging during school hours is not allowed.
9. **Repairs** – The school will not provide repair services on student devices.

## Responsibilities

- Students are fully responsible for their devices.
- The school is **not responsible** for lost, stolen, or damaged devices.
- Devices may be checked by school administrators if there is a suspicion of misuse, security issues, or violation of school rules. Students must unlock devices if requested.
- Students must not attempt to hack, bypass filters, or access blocked content.
