**Academic Dishonesty includes, but is not limited to, fabricating information or citations, facilitating the academic dishonesty of others, submitting the work of another person as your own (plagiarism), cheating, and faking attendance.**

**Please be aware of the following essential information:**

- Students must complete all coursework exams, tests, or quizzes **ON THEIR OWN**.
- Assessments are to be completed without the assistance of other individuals, devices, or resources.
- The use of PowerPoints, textbooks, copy books, online resources, google searches, social media, texting, and screenshots is a **VIOLATION** of the FIS Cheating Policy and will be handled accordingly.

**Plagiarism involves representing the work of another person as one's own. All of the following are included in the definition of plagiarism:**

- Representing the ideas of another as one's own
- Representing as one's own a paper written by another person
- Including within a paper/post sentences or phrases used verbatim from another source without enclosing the quoted words within quotation marks and indicating the source and page number of the quotes

When summarizing the findings from a research article, it is essential that the words used are your own and not plagiarized from the original source. Plagiarism is a clear violation of the FIS Cheating Policy.

I understand that if I violate the Future International School Cheating Policy, I will receive a grade of 0 for the assignment/assessment and be referred to the Student Discipline Committee for possible disciplinary action.

By signing this document, I understand the Future International School Cheating Policy. There will be no exception to this policy.

Note: Failure to sign the Academic Integrity Form will result in the student being ineligible to take the assessment. Please indicate "**Refused to sign**" on the form in such cases. Please contact the grade level supervisor and request them to contact the parent at their earliest convenience.
